The Children's Sermon

You'll Need:

- A ring of keys

Do This:

SAY: Keys come in all different shapes and sizes. I have a lot of keys on my key ring.

(Show kids the key ring and then describe what each key is for.) **There is a key to my house and to my car and my post office box. Some people have keys to their office at work or to cabinets where they keep important papers. They might also have a key to their safe at the bank. Most keys unlock very important things.**

Most of us use keys every day, but today we are going to talk about a key that we may never even think about. It is a key called FAITH. Now faith isn't a key that is made of metal like these keys on my key ring, but it may be the most important key, because it is the key that unlocks God's power. Our Bible lesson today tells us about a man who used his faith to heal someone he cared for very much.

One day Jesus was in a town called Capernaum. There was a Roman army officer, who had a servant who was very sick and about to die. The officer heard about Jesus and sent some men to ask Jesus to come and heal his servant. The men came to Jesus and begged him to heal the officer's servant, so Jesus went with them. Before Jesus got there, the officer sent some men to say to Him, "Don't even go to the trouble to come to my house, because I am not worthy of such an honor. Just say the word and my servant will be healed."

When Jesus heard this, he was amazed. He turned to the crowd of people that was following him and said, "I haven't seen faith like this in all of Israel!" The officer's friends turned and went back to the centurion's house. When they arrived, they found the servant completely healed. Just like the faith of the officer in this story, our faith can unlock God's power in our lives.

There is a song that we love to sing that says:

***My God is so big (great)
So strong and so mighty
There's nothing my God cannot do.***

PRAY: Heavenly Father, help us remember that no matter what problems we may face, our faith in you is the key that unlocks your mighty power. In Jesus' name we pray. Amen.
